

PTCL offer to DigiSkills.pk for Charji Devices with Microsoft Licenses

Introduction of PTCL:

Pakistan Telecommunication Company Limited, commonly known as PTCL, is the national telecommunication company in Pakistan. PTCL provides telephone and internet services nationwide and is the backbone for the country's telecommunication infrastructure despite the arrival of a dozen other telecommunication corporations, including Telenor and China Mobile. The corporation manages and operates around 2000 telephone exchanges across the country, providing the largest fixed-line network. Data and backbone services such as GSM, HSPA+, CDMA, LTE, broadband internet, IPTV, and wholesale are an increasing part of PTCL business.
